

The Pahrump Valley Elks Horn

JULY, 2018

FIDELITY

Here it is July and the year is half over. Time for fireworks and backyard BBQs with family and friends. Let's not forget why we are celebrating our Independence. With the 4th of July we can be grateful for all those that fought to give us this freedom. Terri and I wish all of you a safe 4th and a fun-filled summer with your family and friends. July is also the celebration of Elkdom for 150 years. There is a Elks National Convention this month in San Antonio Tx. to celebrate our 150th year. First Lady Terri and I are proud to represent this lodge during this milestone of Elkdom.

This is the time of year when so many local members are gone for the summer and our dedicated winter visitors are back to their homes. Please remember there will be only one meeting in July and August which will be on the fourth Tuesday of the Month.

The Elk of the month is **Dale Bysted**. Dale has made hundreds of cakes for our Friday night Dinners and other functions. He donates his time, expertise and supplies to help this lodge whenever we need him. He shows what "**volunteering**" is all about. Thank you Dale.

"VOLUNTEERISM"

Our lodge depends and survives on volunteers. Without our volunteers nothing would get done. If you have a favorite dinner why not share with everyone? Other Elks will be there to help you with your dinner. I have heard people say "no one calls me". This is my call to you for help. If you volunteer to cook a meal, for the first time, I will do the dishes and clean up! A few are doing so much work and they need your help. Without more volunteers to cook meals and set up and clean up for our Friday night dinners, there may not be any more Friday Night Dinners. Please call me if you will help.

From our Officers

Lecturing Knight-Brotherly Love

Brigitte Dubin

The 2018-2019 Elks Year includes the opportunity to revise our By-Laws – House Rules and Rules of Order.

I was appointed to Chair the Review Committee. Over the next 2 months the Committee will accept any revisions that any Lodge Member in good standing would like to suggest.

Revisions that are determined by the Committee to be relevant, will be published in the Bulletin for all Lodge members to review. Those revisions will then be formally read and voted on at a regular Lodge Meeting that will also be announced in the Bulletin.

Please present suggested revisions in writing, either via my email (below), or regular mail addressed to me and sent to the Lodge or brought to the Lodge and dropped off to the Secretary. Suggestions can remain confidential. Just write at the top of your suggestion that you wish to remain anonymous.

I want to Thank KJ for dealing with all the frustrations of getting the June bulletin in the mail, she is amazing!

When we were on vacation we visited the Jerome Lodge in Clarkdale, we were welcomed and had a wonderful time with them. We attended their Lodge meeting on Tuesday, and their weekly dinner on Thursday. We will meet again in Texas, at the convention in July.

Please get involved with your lodge.

Loyal Knight-Justice

Steve Bird

Summer is here, and a lot of our Elk family is or will be on the road, traveling, visiting family or seeing other friends. We want all to be safe on their travels. But remember, the months of July and August have only one Lodge Meeting, the fourth Tuesday in each month. So why not attend one or both of the meetings, you might enjoy it! You might pick up some information, you might be the Big Winner. The membership drawing is now \$500.00 (you must be present to win). Hope to see you there.

Flag Day

The Flag Day Ceremony was a mandatory service which commemorates the birth of the American Flag. Colonel Frank Bonesteel and his cadets presented 9 flags. The presentation was professionally accomplished. These young men and women of the cadets should be commended for their Military expertise. With young men and women such as these cadets, our Country is in good hands.

Fathers Day

We had a great Fathers Day Dinner. Pat Loetterle made brisket and Laurie Wall made tri-tip. the meat was melt in your mouth tender. Thanks to all the ladies that worked to make this a wonderful meal.

TRAVELING TABLES

We were in the process of cleaning out the storage container and left 3 of our nice round tables outside. The tables were not to be disposed of!! If you see these tables, please retrieve and return them to the lodge.

- I continue to lead and improve
- I make a difference

Public Relations

On April 20, 2018 The Public Relations Society of America (PRSA) defined this. “A strategic communication process that builds mutually beneficial relationships between an organization and the public.” To me that means all of us are included in this relationship. The organization Elks and the Public, your friends at church, your neighbors, your other club affiliation members, we all play a role in public relations to get the word out about our charitable and community service Elk’s club. Let Pahrump folks know all we do and what we are capable of doing for our community

Elks Magazine

Let everyone in our community know about the fine work the Elks does! After you have finished reading your copy of The Elks Magazine just remove your name and address, and donate the magazine to your local library, your doctor's office, your dentist's office, your car repair shop waiting room, or any other public place where people sit and read for a while. By doing this, you allow other people to enjoy the successes of the BPOE, and perhaps they will want to join, or have their children participate in some of the Elks youth programs.
